

Kindling

Accredited L1 Forest School Training

The ethos behind Forest School is that children of all ages are motivated and inspired to learn and develop through regular positive experiences in an outdoor environment.

OCN Level 1 This course is an introduction to the Forest School approach. Participants will be introduced to basic woodland skills including safe use of tools, and look at using the outdoor environment as a tool to facilitate different learning styles and to develop personal skills such as confidence and self-esteem.

Course Duration: 3 days. Portfolio Completion will take place during the course and be handed in on the last day.

"This course helped me feel enthusiastic about learning and teaching outdoors"

"Lily has an ability to make the Forest School experience relevant to a diverse audience"

The training is delivered by Lily Horseman who is an associate trainer with Archimedes Forest Schools, Lily supports 100's of children each year to experience the outdoors and take part in Forest School programmes.
