## Accredited L3 Forest School Training

The ethos behind Forest School is that children of all ages are motivated and inspired to learn and develop through regular positive experiences in an outdoor environment.

The OCN Level 3 Forest School practitioner award will equip you with the skills and knowledge to lead, manage and co-ordinate Forest School programmes with your client group.

"Lily is both approachable and knowledgeable. Her manner makes for a great learning experience"

"Very few tutors/instructors manage to hold my attention for any length of time so it is a tribute to Lily's skills that she not only educated but also kept me focussed and motivated ALL week ALL day!"

The training is delivered by Lily Horseman who is an associate trainer with Archimedes Forest Schools, Lily supports 100's of children each year to experience the outdoors and take part in Forest School programmes.
