

Kindling

Outdoor Learning InSET Training

Kindling InSET training days are tailored to meet the needs of your school or setting. Led by Lily who is experienced in delivering learning outside of the classroom we will focus on overcoming barriers to outdoor learning and integrating open ended ideas for learning into your school grounds or local outdoor spaces.

"It was amazing to feel so free to explore ideas and be outside. I didn't think I was an 'outdoorsy' person until today. Loved it! Thank you to Lily!"

"Great tips to 'survive' outdoors with children"

"The training opens your mind up to the possibilities of learning outside"

Introduction to Forest School: InSET sessions can include a taster session for your setting, looking at how Forest School can benefit your client group, curriculum links, and the chance to participate in Forest School activity.

OCN accredited Forest School training is also available.
